Elijah Deen

(469) 262-8317 ● Rockwall, TX ● Etdeen519@gmail.com

EDUCATION

Texas A&M University — **College Station, Texas**
Bachelor of Science in Mechanical Engineering — *May 2027*
Cumulative GPA: 3.29/4.00

PROFESSIONAL EXPERIENCE

Sonoco Products Company — **Hartselle, Alabama**
Engineering Intern — *August 2026 – Present*

- Designed automated gripper for large wooden reels for a controlled flange introduction to nailer, installed on 2 lines
- Developed a slotting jig for an operator to efficiently slot staves with interchangeable templates on a pin router
- Engineered components to safely move a 10 ton shredder 6 inches

Sonoco Products Company — **Jefferson, Texas**
Manufacturing Intern — *May 2026 – August 2026*

- Designed and fabricated trailer axle weighing scales for sawdust collection trucks, with projected annual savings of $34K from reduced freight and labor costs
- Designed and fabricated a custom lumber stacking frame within three days, reducing estimated restacking time by 69% and improving operator handling of partial bundles
- Designed and tested multiple prototypes for an industrial bandsaw dust collection system, improving fine dust capture through iterative airflow testing
- Designed and implemented a pneumatic lift-and-turn table for 500 lb flanges, reducing the need for manual repositioning during production repairs

Vex Robotics — **Greenville, Texas**
Mechanical Engineering Intern — *June 2025 – August 2025*

- Modified the Workcell linear conveyor belt to integrate an internal motor and gearbox, optimized housing into 3 injection-moldable parts for simpler manufacturing and assembly
- Prototyped an inclined conveyor belt add-on for the Workcell kit, testing belt handoff, inverse bend geometry, and fin sizing to confirm concept feasibility

Sky Ranch Camps — **Westcliffe, Colorado**
Leadership Camp Counselor — *May 2023 – August 2023, May 2024 – August 2024*

- Mentored campers in leadership, communication, and faith through Bible studies and challenging group discussions
- Supported campers through personal challenges while fostering a safe and encouraging camp environment

LEADERSHIP & INVOLVEMENT

Aggie Cru — **College Station, Texas**
Prayer Director/Worship Leader/Master of Ceremonies — *August 2023 – Present*

- Mentored underclassmen in intentional discipleship by training on evangelism, Bible study, and community service, fostering spiritual growth and a Christ-centered community
- Led monthly community events promoting spiritual growth and engagement across campus

Turtle Combat Robotics — **College Station, Texas**
Design Lead — *August 2025 – Present*

- Designed, prototyped, and built a 3lb combat robot to compete with at tournaments
- Integrated chassis, weapon, and electronic subsystems optimizing weight, control, and rigidity

SKILLS and CERTIFICATIONS

Technical Skills: CAD, Welding, Manufacturing, Python, Injection Molding, 3D Printing, Industrial Robotics
Certifications & Training: FANUC Operation and Programming, SolidWorks, Microsoft Excel, OSHA
